**PETITION UNDER 37 CFR §1.53(e)(2) FOR REVIEW OF**  
**NOTIFICATION OF MISSING DRAWING UNDER 37 CFR §1.53(e)(1)**

Att'y. Dkt. No.: 4000-03100  
 Date: March 12, 2001

Sir:

This paper is filed in response to the Notice To File Corrected Application Papers dated February 9, 2000. A copy of the Notice is enclosed. The Applicants request review of the notification under 37 CFR §1.53(e)(1) that the application was filed without Figure 2. A review of the file maintained by the attorney for applicant who filed the application indicates that two drawing sheets with Figures 1 and 2 were filed with the application. Copies of the relevant portions of that file are attached.

A receipt postcard listing the parts of the application which were filed was filed with the application. The postcard indicates that two sheets of drawings were filed. The postcard was date

stamped by the Patent Office and returned to the Applicant's attorney and placed in the file. A copy of the postcard is attached.

The standard office practice of the attorney for Applicants is to make a complete copy of all application papers after they have been prepared for filing and signed by the applicant(s) and the attorney. That complete copy is then placed in the attorney's file. The review of the file found that the file copy of the application included two sheets of drawings having Figure 1 on one sheet and Figure 2 on the other. Both file copies were two sided copies showing the case identification label on the back of each drawing. Two sided copies of the two sheets of drawing found in the file are attached.

The file review also found a copy of the "Utility Patent Application Transmittal" form which was included with the application as filed and is listed on the return postcard. That form lists two sheets of drawings as being transmitted. A copy of that form is also attached.

Based on the above, Applicants request that the PTO determine the above-noted item was in fact deposited in the Patent and Trademark Office with the non-provisional application papers. Applicants further request that the petition fee under 37 CFR 1.17(i) submitted with the Response to Notice to File Corrected Application Papers be refunded to Deposit Account No. 27-0765.
